

*Rochester School Council*

*Summary Report for 2018-2019 School Year and*

*Proposed Objectives for 2019-2020 School Year*

The September 2018 meeting was our organizational meeting where it was decided that the executive remain the same for the upcoming school year: Carmen Ewasiw; Chair, Candice Jensen; Vice chair, and Corissa Barriault; Secretary. In the year we hosted the annual Halloween party for Students and Staff, prepared breakfast for the annual Reading Day, attended the Council of School Councils meeting in Athabasca, and hosted the year end barbeque for students and staff. The council continued to fulfill its mission this year: "To foster communication among all educational stakeholders, provide support and advocate for the Rochester School community."

The September 2019 meeting was our organizational meeting where it was decided that the executive will be selected in October. We have decided to move our meetings to during the day to see if we can gain more support. We have discussed hosting the annual Halloween Dance/Party for the students, Christmas outreach and Christmas dinner. We plan to be intentional this year in building up our School Generated Funds by looking for effective and successful fundraisers . We have offered our support to the staff and made it known that we are there to support the teachers as well as the students and are willing to do what we can to make this school year successful. Collectively we feel supported and valued by our Principal and Trustee and believe that we will have a working relationship that will be beneficial to all those involved. Currently our trustee is providing adequate support from the board to our council, however if further assistance is needed in the future we will make our request known at that time.

Thank you for your time and if there are any further questions or concerns please do not hesitate to contact me.

Candice Jensen

Rochester School Council Vice Chair
