## TRIMESTER 3 OPTIONS

### Exciting Options Await

Grades 1-3 students will be enjoying gymnastics and land based learning for the third trimester of Rochester STEAM Academy. Grades 4-9 can choose to do gymnastics and land based learning, or two of the following: Foods, Cosmetology, Forensics, Chickens/Gardening, and 3D Design. If you have experience in any of these areas and want to volunteer, please contact the school!

# 4.

## ROBOTICS

The Rochester Robotics Club is gearing up for the Aspen View Robotics Competition May 7th. We will be sending 3 teams to the competition.  
Go Royals!
